Term 1, Week 4

Dear Parents,

The school calendar lists Tuesday, 1st and Wednesday, 2nd of May as Pupil Free days for the purpose of a staff in-service.

The College of Teachers have requested that these two days be teaching days as plans for the in-service have fallen through. The two day in-service will be held later in the year in Semester 2 and parents will be notified as soon as possible.

The school is aware that some people may have already made plans to be away. Although teachers would obviously prefer to have children at school, on this occasion is may be unavoidable if those plans can’t be changed.

Sincere apologies for this change. We hope we have provided early enough notice not to inconvenience many families.

TERM DATES “UPDATED”:
Term 1: Thursday, 1st February - Friday, 13th April.
Term 2: Tuesday, 1st May - Friday, 29th June.
Term 3: Monday, 23rd July - Thursday, 20th Sept.
Term 4: Monday, 8th October - Thursday, 13th December (half day).

C-SHED (a mnemonic for Five Principles of Steiner Education)
Last week we looked at Collegiality as one of the core principles of Steiner Education. Spirituality is another core principle. Waldorf Schools do not have a religious dogma or a connection to a particular religion. They are spiritually orientated and in childhood the school aims to awaken the child’s natural reverence for the wonder and beauty of life.

One example of a spiritual focus are the festivals. They highlight the supportive cycles of life, adding meaning to human existence. Through the festivals we celebrate the earth, humanity, the cosmos and their connections. Reverence is fostered through acknowledging something greater than oneself, allowing a deep experience of gratitude and harmony.

Rudolf Steiner said “artistic feeling, coupled with a quiet, introspective nature, is the best preliminary condition for the development of spiritual faculties. Artistic feeling pierces through the surface of things, and by so doing reaches their secrets.” Steiner also gave a golden rule of genuine spiritual seeking. “For every ONE step forward that you take in seeking knowledge of spiritual truths, take THREE steps forward in the development of your own character.” The Steiner Curriculum acknowledges these sentiments.

IN THE LIGHT OF A CHILD
The light rains down. My king, in this late-summer hour,
You reign within my heart as well, with growing power.
You shine with strength. You gleam and glance and glisten.
You lead me into depths where I, within silence, learn to listen.
And there you form life’s fruits, fruit good to eat,
In weaving soul-light warm, where they grow ripe and rich and sweet.

-Michael Hedley Burton
The School Council met last week and agreed that the school’s AGM will be held on Monday, 30th April. This is the last day in the year on which the AGM can be held under the school’s constitution and allows enough time to ensure the school’s financial audit can be reported to the school community. The AGM is also the day before children return to school for Term 2. A number of reports from various areas of the school are presented and an overview of the “whole” can be gleaned by attending. It’s worth putting in your diary.

School Council meetings are approximately twice per term on Tuesdays and run for about three hours from 6:30pm. The council does not involve itself in the day to day running of the school however it plays a vital governance role which oversees the processes and the leadership of the school. It is the final arbiter of grievances, sets the budget and employs the Administrator (Principal). It gives birth to new building projects and asks questions to ensure everything is above board and meets regulations. People with experience in finance, law, HR, education, anthroposophy, building and project management bring skills that are needed, however, anyone with an interest in the health and wellbeing of the school will be able to contribute. All parents and staff may nominate to be on the School Council. There are twelve places. Please consider joining. Information on the AGM agenda and how to nominate will be available closer to the date.

The Class 9A Main Lesson Play is on next week. Please come and support them and enjoy great performances.

Class 8A are on camp next week. Welcome to Sven Borg who is the Outdoor Education Leader this term. Sven comes with much experience in running camps and also has his own Outdoor Adventure company. Class Guardian and music teacher Claire Williamson will be out there with the kids in Dwellingup. Hopefully that means beautiful lullabies from well pitched tents after a day’s riding and exploring.

The P&F Easter Market is at the end of March. Stall places are available via the P&F.

Next Friday 2nd March is a pupil free day. Combined with Labour Day it means there is a four day weekend for the students.

**GENERAL NEWS**

**SCHOOL TOUR**

Our School Tour will be on **Tuesday, 13th March, 9:00am-10:00am**.

Come along to view our Classrooms and explore our school's grounds. This is a wonderful opportunity to get to better understand our school's ethos and meet some of our wonderful families and staff. A light morning tea will be provided with discussions after the tour.

If you are wanting to attend please contact reception (9417 3638) to book a place. We hope to see you there!

**DATA COLLECTION FORMS ARE OVERDUE!**

Many Data Collection Forms have not been returned. Data Collection was due back on the 25th January. If you have not yet returned your form could you please do so as soon as possible. All forms must be filled out correctly, including parents first and last name’s and child’s full name. Forms can be dropped into the Front Office, posted or emailed to adminpws@pws.wa.edu.au. Please see reception if you require a new form. Thank you.

**DENTAL HEALTH FORMS**

All families who received a dental enrolment form from the Dental Therapy Clinic, could you please return your forms to Melanie in the Front Office as soon as possible, if you have not done so already. If you have any issues, general enquiries and/or need to replace a form, please contact the Coolbellup Dental Therapy Clinic on: (08) 9313 0555. Thank you.

**POSITIONS VACANT**

PWS invites applications for:

- **Technical Director (relief - 2 days/ per week).**

PWS requires a relief Technical Director with an immediate start til October, 2018.

The Technical Director has responsibility for the technical operations of the drama department, including lighting, sound, set design and construction, and co-ordinating necessary maintenance. The hours are varied, and flexibility is required with this position. Mondays and Fridays are set with additional days needed in the lead up to high school class plays.

**Applications close: 26th February at 3:00pm.**

- **Community Support Officer (10 hours per week).**

This role involves working to build a sense of community in the school and ensure that, as much as possible, it is a ‘healthy’ community by way of clearly communicating school expectations and provisions for parents and students and keeping in touch on a human level with members of the community - both staff and parents. A high degree of social-emotional intelligence and diplomacy when working with people as well as an ability to plan and coordinate others is required.

Working in this role requires fitting in with school culture and the needs of the school and evolving in the position with changing needs as they occur.

**Applications close: 28th February at 3:00pm.**

Full job descriptions are available on our website.

All written applications, including a CV and three referees, should be marked ‘Private & confidential’ and forwarded to:

The Administrator, Perth Waldorf School, PO Box 1247, BIBRA LAKE WA 6965

OR employment@pws.wa.edu.au
FROM COMMUNITY SUPPORT

Hello,

I am pleased to be the acting Community Support Officer until the position has been advertised and filled. You may have seen me around school wearing my gardener’s hat (literally) as I am in my second year as Gardeners Assistant at the school. My children are in Kindy 6 and Class 2 here at Perth Waldorf School and this is my 6th year as a parent at this wonderful school.

I am looking forwards to our first Class Carers meeting to be organised for this term, where we can meet each other and discuss the very important role of Class Carer and how Community Support can assist.

We have our Primary School Easter Festival coming up on Tuesday, 27th March and I look forward to seeing you all there.

Heidi Halter - Acting Community Support Officer

EARLY CHILDHOOD

REMINDERS FOR THIS WEEK

Tuesday, 20th February (today) - Kindy 4 will be having a Parent Teacher Meeting in the Star Room at 6:00pm. See details below.
Saturday, 24th February - Kindy 5’s and 6’s will be having a Parent Teacher Meeting from 9:30am-11:00am. See details below.

FROM THE CO-ORDINATOR

What a blessing these pleasant days have been to start our term. Summer is not usually so forgiving as the children get used to their routines with school beginning. All the classes have settled with minimum fuss. Communication between parents and staff is key to this continuing. Teachers have set clear lines of communication with parents in each room. There are notebooks outside the classrooms, which are being used effectively for day-to-day messages. An appointment for a chat with your child’s teacher is a good way to start the year, and teachers are happy to speak with you. Greeting time at the start of each session is reserved for the child to be met by the teacher, and we see this as a precious time for child-centred talking only. The noticeboards on our doors are alive with information sharing, and we will email you with important dates, which are also always advertised in Pabulum.

I have been so refreshed by my meetings with the new Playgroup parents. To hear about how parents find their way to Steiner education is heart-warming and sometimes surprising. Thank you for bringing your unique gifts as parents to our community; we receive the child and the family in love and respect.

Kindy 4 has a parent night coming up on Tuesday, 20th February - a time for you to mix with parents from your child’s class, and also with the parents of the wider group of Kindy 4 children. These are the people your child will grow up with! Quite an awesome reality to reflect upon; however it is the here-and-now wonder of the kindergarten experience for your child that we will focus upon in our parent meetings.

Parent meetings are essential to the effective delivery of a Steiner education; so we ask that you do all you can to attend every parent night. There will be one meeting scheduled each term.

Kindy 5 and Kindy 6 are our Cygnets and Swans in Rainbow Room, Rose Room and Cedar House. These classes have a combined parent meeting coming up on Saturday, 24th February. We will be introducing some of the special people who bring so much expertise to these classes alongside their regular teachers. It does take a village to raise a child, and it takes an expert team of teachers to guide their development. We are delighted that Gillian Baker, our Extra Lesson teacher will be able to come and speak about sensory work. Kristina Hamilton will be there to give us a taste of Eurythmy, and Paul Lawrence to bring some song. We look forward to a light enlivening morning together.

Have you ever admired the lush lawn area behind the carriage? We are encouraging Kindy and Playgroup parents to use it! Many times parents need to wait at school for pickup times, away from the kindergarten rooms. They need a safe place with a soft environment to wait with their little ones. Bring a picnic rug, a snack or a thermos, and enjoy some peaceful time.

K5/6 Parent Teacher Meeting - Saturday 24th February, 9:30am till 11:00am in Seekers Place.

K4 Parent Teacher Meeting - Tuesday, 20th February, 6:00pm in the Star Room.

Jennifer Byrne - Early Childhood Co-ordinator
**REMINDEERS FOR THIS WEEK**

**Tuesday, 20th February** - Class 5 will be having a Parent Teacher Meeting at 6:30pm.

**Thursday, 22nd February** - Class 4 will be having a Parent Teacher Meeting at 6:30pm. Parent Teacher Meetings are wonderful opportunities to discuss with your child’s teacher about how your child in progressing and behaving at School, as well as to better understand what they are currently learning in the classroom.

**FROM THE CO-ORDINATOR**

It is class teacher parent meeting season again.

Please remember that you are expected to attend the termly information evenings. It is an opportunity to be in the class room and see what your child has been doing at their desks and in their books. You will hear about activities, lessons and main lessons and how the children’s learning is going and where it is expected to be. These evenings provide opportunity for you to hear what all children are going through developmentally within the class and what behaviours to expect and look out for and how to support this development. It provides a social space of sharing with the parent body that will travel with you throughout your child’s schooling here at PWS - a strong and united parent body creates the foundation and stands behind a united and happy class group.

If you are unable to be at a class teacher parent evening please send your apologies to the teacher.

A few ways you could help your child enter school each morning and begin school in a calm and grounded manner:

- Do not ever have the TV on in the morning.
- Talk and sing in the car instead of have the radio or music on.
- Park outside school and walk to school with the children carrying their own bags. There is so much benefit from the deep pressure provided by wearing a backpack with both shoulder straps over their shoulders.

All of these simple examples really help with a calm transition from home to school. It also requires you as the adult to slow down and be more present.

Lisa Payne - Primary School Co-ordinator

**EASTER FESTIVAL**

The festival of Easter in the primary school is a two-fold celebration at PWS, starting with the outward part of the festival, with Little Donkey arriving to take all the primary school children for an Easter walk celebrating the entrance of Jesus to Jerusalem on the back of a Donkey. We invite all parents to attend this much anticipated event on **Tuesday, 27th March**, which runs in conjunction with the Easter Market (see P&F for details). Crosses are beautifully decorated by the children in the week leading up to the walk and information regarding these will be given over the next couple of weeks.

The second part of the Easter festival is the inward celebration, an assembly attended by all the primary school children and their teachers on **Thursday, 29th March**, to witness the story of ‘The Holy Week’ performed by the Class 7’s, ‘The Washing of the Feet’ which reflects the service that Jesus gave to each of his disciples at the Last Supper and finally, the sharing of Hot Cross Buns for morning tea, celebrating the Resurrection of the Christ. This assembly is just for the primary school children and teachers to gently acknowledge the great Events at the Turning Point of Time at Golgotha.

**HELP NEEDED!**

With the Easter festival coming up, I’m looking for some Parent help in the form of cutting out and sewing 30 white tunics for the costuming of The Holy Week. As many hands make light work, I’m hoping to create a team of people to complete this task in time for the festival. Tasks range from cutting out the tunics, sewing them together and ironing them at the end. If you could see yourself helping out in any or all of these areas please contact me on 0414 827 787 or leave a message with Mel at reception for me to get back to you. Thank you.

Sarah Boyle - Festival Organiser
HIGH SCHOOL

**SPECIAL ACKNOWLEDGEMENT**
The P&F would like to acknowledge the resignation of one of its most active members - Sue Wallwork - who has been a long-serving member of our organisation.

We'd like to thank you Sue for everything you’ve done over the years especially your willingness to share your knowledge and experience with each new committee; your generosity and your always cheerful and accommodating nature; we'd like to thank you for all your years of service, leading us and showing us a positive way forward and for being an essential driving force behind creating the community we have in our school today.

We wish you well in your future endeavours!
If you are riding your bike to school, please remember to ring your bell or shout out to warn that you are cycling towards other people so to avoid any accidents. Also please be sure to stop riding and walk your bike when on school grounds, as it is dangerous to parents and young Kindy children as well as cars that may be reversing out. Remember to always wear a helmet when riding a bike!

**ACKNOWLEDGING THE QUIET ACHIEVERS**
Gratitude and thanks to Melody Stevenson and Dallas Campbell for covering Peter and Matt for interim periods over the January break. It was a very busy time for the Maintenance Department.

Recent achievements in the Maintenance Department have seen Melody Stevenson achieve her HR Truck licence, which means additional capability in the school, including Melody being able to drive the buses required to attend school camps.

Dallas Campbell recently graduated from Murdoch University with a degree in Environmental Science, Conservation and Wildlife Biology. Dallas achieved a distinction average in the units relevant to go on and complete Honours in Wetland research this year.

Both Melody and Dallas are versatile, capable members of the Maintenance team and highly valued.

CRAFT GROUP - with Pixie Stott
Tuesdays, 9:00am outside the Canteen.

Come join our lively group of crafters and learn some new skills or polish up some old ones. All levels of ability are catered for. It will be run as “first you make you keep and then make one for the group to be sold”. This will go towards completing your community hours. Children welcome but do need to be supervised. We are working with Easter Crafts this term so come make something for your child and help make something towards the Easter market stall. We look forward to seeing you next week.

EURYTHMY - Free classes for adults with Kristina Hamilton.
Tuesdays, 2:15pm-3:00pm in Williams Hall.

Rudolf Steiner’s art of movement, EURYTHMY, helps to connect the spirit within each human being to the world at large. As well as being a much respected performance art, Eurythmy is recognized world-wide for its practical applications in education and therapy. At PWS Eurythmy is an essential component of the Waldorf Curriculum and is currently being offered from Kindy to Class 6. Each lesson is created anew to help the child meet the particular challenges of each stage of child-development.

In these free Eurythmy classes designed for adults, the aim is to share the life-affirming benefits of Eurythmy movements. After doing Eurythmy many people remark how they feel so much more relaxed, at one with the world, and ready to meet the challenges of life. Happy parents mean happy children, so do come and try this wonderful elixir! No experience is necessary, only a wish to enrich your soul in the joyful company of others.

CAKE LABELS FOR THE EASTER MARKET

These labels are a requirement from the Department of Health for parents baking and donating cakes for the Easter Market.

Please fill out a label below with all ingredients used, cut your label out and attach to your donated cake. Ensure you include: flour, shortening, eggs and nuts. Don’t forget to label your plates, dishes, etc and collect them at the end of the day.

Your cakes may be dropped off at the Canteen on the day.

If you have any questions regarding the Easter Market please contact Gabby on 0439 919 926.

Thank you!
